

ASX Release

21 July, 2017

## **HEXAGON RESOURCES – MCINTOSH PROJECT UPDATE**

Shareholders in Hexagon Resources (ASX: HXG) are advised that the company's Managing Director, Mike Rosenstreich, has recently taken part in a video interview which provides an update on the Company and its flagship McIntosh Flake Graphite Project, located in Western Australia.

In the interview, Mr Rosenstreich provides information and commentary around:

- The outcomes of the recently-completed Pre-Feasibility Study into the development of the first stage of the McIntosh Project
- Recent ore sorting results
- The next steps in the development of McIntosh.

The video is available at: <https://youtu.be/Bt11-nPTpPI>
