**INVESTOR BRIEFING SERIES - SYDNEY, MELBOURNE & PERTH**

On behalf of the Board of Hexagon Resources I am delighted to invite all of our shareholders and other stakeholders to attend a briefing on the Company's recent developments. During the last six months the Company has achieved a number of key milestones and the briefing aims to provide an insight into our strategic plan to become a vertically integrated graphite business. Our aim is to become an industry leader in low cost production of high purity graphite materials for the fastgrowing battery sector and traditional high-end industrial applications including displacing synthetic graphite, leveraging off our clean, highly crystalline, large flake - McIntosh Project.

Charles Whitfield and I will be hosting a series of investor briefings to provide an update on our plans for the months ahead, which are scheduled on the following dates:

<b>Sydney</b>	<b>Wednesday 21 November 2018</b> <b>4pm to 5pm</b> <b>Australian Institute of Company Directors</b> <b>18 Jamison Street, Sydney</b>
<b>Melbourne</b>	<b>Thursday 22 November 2018</b> <b>12pm to 1pm</b> <b>Karstens Melbourne</b> <b>123 Queen Street, Melbourne</b>
<b>Perth</b>	<b>Thursday 29 November 2018</b> <b>4pm to 5pm</b> <b>Australian Institute of Company Directors</b> <b>Level 1, Allendale Square, 77 St Georges Terrace, Perth</b>

Light refreshments will be provided.

All shareholders and interested parties are very welcome, please RSVP to Nicole Clark at [nicolec@hexagonresources.com](mailto:nicolec@hexagonresources.com) before 14 November 2018.

We look forward to welcoming you to our briefings and providing you this important company update.
