Note: there is no requirement for Shareholders to approve these reports.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as a **non-binding resolution**:

“That, for the purpose of section 250R(2) of the Corporations Act and for all other purposes, the Company adopts the annual remuneration report as set out in the directors' report for the financial year ended 30 June 2023.”

Voting exclusion: The Company will disregard any votes cast on Resolution 1 by any member of the Key Management Personnel of the Company whose remuneration is included in the Remuneration Report, or a Closely Related Party of such member. However, the Company will not disregard any votes cast on Resolution 1 by such person if:

- (a) the person is acting as proxy and the Proxy Form specifies how the proxy is to vote on the Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- (b) the person is the Chair voting an undirected proxy and their appointment expressly authorises the Chair to exercise the proxy even though Resolution 1 is connected with the remuneration of the Key Management Personnel of the Company.

If you are a member of the Key Management Personnel of the Company or a Closely Related Party of such person (or are acting on behalf of any such person) and purport to cast a vote (other than as a proxy as permitted in the manner set out above), that vote will be disregarded by the Company (as indicated above) and you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

Important note: The proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person’s vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

1. FINANCIAL STATEMENTS AND REPORTS – YEAR ENDED 30 JUNE 2023

The Corporations Act requires the annual financial report, directors' report and the auditor's report (**Annual Financial Statements**) be received and considered at the Annual General Meeting. The Annual Financial Statements for the financial year ended 30 June 2023 are included in the Company's annual financial report, a copy of which can be accessed at www.hxgenergymaterials.com.au. Alternatively, a hard copy will be made available on request.

There is no requirement for Shareholders to approve these reports and no vote will be taken on the Annual Financial Statements. However, Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Annual Financial Statements and the management of the Company.

The Company's auditor, BDO Audit (WA) Pty Ltd, will be present at the Annual General Meeting and Shareholders will have the opportunity ask the auditor questions in relation to the conduct of the audit, the auditor's report, the Company's accounting policies, and the independence of the auditor.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the auditor's report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the Annual Financial Statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 business days before the meeting date to the Company Secretary at info@hxgenergymaterials.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

2.1 Background

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the financial year ended 30 June 2023 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the

Company's 2023 Annual Report. The Annual Report is available on the Company's website at www.hxgenergymaterials.com.au.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2023.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair of the Annual General Meeting will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

2.2 Regulatory Requirements

The Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors or the Company. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, sections 250U and 250V of the Corporations Act sets out a "two strikes" re-election process, pursuant to which:

- (a) if, at a subsequent annual general meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding annual general meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another general meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors' Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company's Directors who were Directors at the time when the resolution to make the Directors' Report was passed (excluding the Managing Director of the Company who may, in accordance with the ASX Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end the Spill Meeting and may stand for re-election at the Spill Meeting.

At the Company's 2022 annual general meeting, less than 25% of the eligible votes cast in respect of the 2022 Remuneration Report were cast against the adoption of 2022 Remuneration Report. Accordingly, a Spill Resolution will not be put to the Meeting even if 25% or more of the votes cast in respect of the 2023 Remuneration Report are against the adoption of the 2023 Remuneration Report.

2.3 Board Recommendation

Each of the Directors has an interest in the outcome of Resolution 1 and accordingly does not make a voting recommendation to Shareholders.

3. RESOLUTION 2 – ELECTION OF DIRECTOR PHILIPP KIN

3.1 Background

Clause 12.7 of the Company's Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Philipp Kin, having been appointed by the other Directors on 11 August 2023 in accordance with the Constitution, will retire in accordance with the Constitution and ASX Listing Rule 14.4 and being eligible, seek election from Shareholders.

Mr Kin has a wealth of experience in the energy sector and a specific background in project financing. His career has spanned stockbroking, investment banking, mergers and acquisitions, debt capital markets, equity capital markets and oil, gas and energy research in roles including Lead WA LNG Asset Economist at Shell, Head of Oil and Gas Research at Royal Bank of Scotland, Senior Investment Relations Advisor at Oil Search, and Director of Corporate Finance at Baillieu Holst. While with Shell Mr Kin worked on both offshore and onshore exploration projects, the development of conventional and unconventional hydrocarbon projects, and commercial projects including assisting the Gorgon LNG team to Final Investment Decision.

His most recent role is as Director at BurnVair Corporate Finance, a boutique firm specialising in debt and equity capital markets.

Further details about Philipp Kin are set out in the Company's 2023 Annual Report which is available at www.hxgenergymaterials.com.au.

3.2 Board Recommendation

The Directors (other than Philipp Kin) unanimously recommend that Shareholders vote in favour of Resolution 2.

The Chair intends to vote undirected proxies in favour of the Resolution.

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% PLACEMENT FACILITY

4.1 Background

ASX Listing Rule 7.1A enables an eligible entity to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting.

The Company is an eligible entity as at the time of this Notice of Annual General Meeting and is expected to be an eligible entity as at the time of the Annual General Meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under ASX Listing Rule 7.1A during the period set out below.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to a combined 25% limit in ASX Listing Rules 7.1 and 7.1A without further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the Additional 10% Placement Facility to issue quoted Equity Securities without Shareholder approval available under ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing (or agreeing to issue) Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 4.2 (d) of this Notice of Annual General Meeting below).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

4.2 Regulatory Requirements

In compliance with the information requirements of ASX Listing Rule 7.3A, Shareholders are advised of the following information:

(a) Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under ASX Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Annual General Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **Additional 10% Placement Period**).

The Company will only issue Equity Securities during the Additional 10% Placement Period.

(b) Minimum Issue Price

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, being Shares.

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the Equity Securities are issued; or
- (ii) the date on which the price of Equity Securities is agreed, provided that the issue is thereafter completed within 10 trading days.

(c) Purpose of Issues

The Company may seek to issue the Equity Securities to raise funds in connection with ongoing work for the Company's hydrogen project, further exploration at the McIntosh and Halls Creek Gold Projects, the acquisition of new assets or investments (including expenses associated with such an acquisition), and for general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3.

(d) **Dilution**

As at the date of this Notice of Annual General Meeting, the Company has 512,915,901 Shares on issue. Accordingly, if Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 51,291,590 Equity Securities under the Additional 10% Placement Facility in accordance with ASX Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

(A x D) – E

A = the number of fully paid shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (ii) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (a) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (b) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (a) the agreement was entered into before the commencement of the relevant period; or
 - (b) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4
- (iv) plus the number of any other fully paid ordinary securities issued in the relevant period within approval under Listing Rule 7.1 or Listing Rule 7.4
- (v) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- (vi) less the number of fully paid ordinary securities cancelled in the relevant period.

Note that A is has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders'

voting power in the Company will be diluted as shown in the table below. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at 13 October 2023.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in ASX Listing Rule 7.1A.2		Dilution		
		\$0.0045 50% decrease in Issue Price	\$0.009 Issue Price	\$0.018 100% increase in Issue Price
Current Variable A 512,915,901 Shares	Shares issued (10% Voting Dilution)	51,291,590 New Shares	51,291,590 New Shares	51,291,590 New Shares
	Funds raised	\$230,812.16	\$461,624.31	\$923,248.62
50% increase in current Variable A 769,373,852 Shares	Shares issued (10% Voting Dilution)	76,937,385 New Shares	76,937,385 New Shares	76,937,385 New Shares
	Funds raised	\$346,218.23	\$692,436.46	\$1,384,872.93
100% increase in current Variable A 1,025,831,802	Shares issued (10% Voting Dilution)	102,583,180 New Shares	102,583,180 New Shares	102,583,180 New Shares

Shares	Funds raised	\$461,624.31	\$923,248.62	\$1,846,497.24
--------	--------------	--------------	--------------	----------------

The table has been prepared on the following assumptions:

1. Variable A is 512,915,901 being the number of ordinary securities on issue at the date of this Notice of Meeting.
2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
3. No Options (including any Listed Options issued under the Additional 10% Placement Facility) or Performance Rights are exercised into Shares before the date of issue of the Equity Securities.
4. The Company has not issued any other Equity Securities using its placement capacity under ASX Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice of Meeting.
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
6. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
8. The issue of Equity Securities under the Additional 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
9. The issue price set out above is the closing price of the Shares on the ASX on 13 October 2023.

(e) Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the persons to which the Company will issue the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The persons to whom the Company will issue Equity Securities under the Additional 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and / or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the persons to whom the Company will issue Equity Securities under the 10% Placement Facility will be the vendors of the new resources, assets or investments.

(f) **Previous issues of Equity Securities under ASX Listing Rule 7.1A**

The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at its 2022 Annual General Meeting held on 30 November 2022.

ASX Listing Rule 7.3A.6 requires the Notice of Meeting to include details of the total number of Equity Securities issued under ASX Listing Rule 7.1A.2 by the Company in the 12 months preceding the date of the Meeting and the percentage they represent of the total number of Equity Securities on issue at the commencement of that 12 month period. During that 12 month period, no Equity Securities were issued or agreed to be issued under ASX Listing Rule 7.1A.2 by the Company.

(g) **Voting exclusion statement**

No voting exclusion statement applies to Resolution 3.

At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

4.3 Board Recommendation

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommends that Shareholders approve Resolution 3.

The Chair intends to vote undirected proxies in favour of the Resolution.

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
